An entity will be classified as Active NFE if it meets any of the following criteria:

- a) less than 50% of the NFE's gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50% of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;
- b) the stock of the NFE is regularly traded on an established securities market or the NFE is a Related Entity of an Entity the stock of which is regularly traded on an established securities market;
- c) the NFE is a Governmental Entity, an International Organisation, a Central Bank, or an Entity wholly owned by one or more of the foregoing;
- d) substantially all of the activities of the NFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an Entity does not qualify for this status if the Entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;

Definitions for FATCA and CRS cont.

Certain entities (such as U.S. Territory NFFEs) may qualify for Active NFFE status under FATCA but not Active NFE status under the CRS.

“Control”

“Control” over an Entity is generally exercised by the natural person(s) who ultimately has a controlling ownership interest (typically on the basis of a certain percentage (e.g. 25%)) in the Entity. Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the Entity will be the natural person(s) who exercises control of the Entity through other means. Where no natural person(s) is/are identified as exercising control of the Entity through ownership interests, then under the CRS the Reportable Person is deemed to be the natural person who hold the position of senior managing official.

“Controlling Person(s)”

“Controlling Person(s)” are the natural person(s) who exercise control over an entity. Where that entity is treated as a Passive Non-Financial Entity (“Passive NFE”) then a Financial Institution is required to determine whether or not these Controlling Persons are Reportable Persons. This definition corresponds to the term “beneficial owner” described in Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012).

In the case of a trust, the Controlling Person(s) are the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, or any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). Under the CRS the settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, are always treated as Controlling Persons of a trust, regardless of whether or not any of them exercises control over the activities of the trust. Where the settlor(s) of a trust is an Entity then the CRS requires Financial Institutions to also identify the Controlling Persons of the settlor(s) and when required report them as Controlling Persons of the trust. In the case of a legal arrangement other than a trust, “Controlling Person(s) means persons in equivalent or similar positions.

“Custodial Institution”

“Custodial Institution” means any Entity that holds, as a substantial portion of its business, Financial Assets for the account of others. This is where the Entity's gross income attributable to the holding of Financial Assets and related financial services equals or exceeds 20% of the Entity's gross income during the shorter of: (i) the three-year period that ends on 31 December (or the final day of a non-calendar year accounting period) prior to the year in which the determination is being made; or (ii) the period during which the Entity has been in existence.

 - Individual and collective portfolio management; or
 - Otherwise investing, administering, or managing Financial Assets or money on behalf of other persons.

Such activities or operations do not include rendering non-binding investment advice to a customer.

- ii. The second type of “Investment Entity” (“Investment Entity managed by another Financial Institution”) is any Entity the gross income of which is primarily attributable to investing, reinvesting, or trading in Financial Assets where the Entity is managed by another Entity that is a Depository Institution, a Custodial Institution, a Specified Insurance Company, or the first type of Investment Entity.

Definitions for FATCA and CRS cont.

- (ii) Any branch of a Financial Institution that is not tax resident in a Participating Jurisdiction, if that branch is located in such Participating Jurisdiction.

“Passive NFE”

Under the CRS a “Passive NFE” means any:

- (i) NFE that is not an Active NFE; and
- (ii) Investment Entity located in a Non-Participating Jurisdiction and managed by another Financial Institution.

“Related Entity”

An Entity is a “Related Entity” of another Entity if either Entity controls the other Entity, or the two Entities are under common control. For this purpose control includes direct or indirect ownership of more than 50% of the vote and value in an Entity.

“Reportable Account”

The term “Reportable Account” means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person.
